The contract will include the option to renew for up to 4 additional 1-year extensions to be exercised at the discretion of the Commissioners' Court each budget year.

This contract may be canceled with 30 days written notification by either party to the other.

It is the intent of these specifications to describe requirements for a vendor to provide pest control services to specified Wise County owned/leased buildings.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

Wise County is seeking a qualified vendor capable of successfully monitoring, inspecting, and treating for pests for specified Wise County owned buildings. Successful vendor shall have employees who are professionally trained in all aspects of pest control. Most offices are open Monday through Friday 8:00 am to 5:00 pm. Vendor should not count on being able to do all offices the same day. Appointments must be scheduled at the convenience of the County offices and not just set by the vendor.

Wise County reserves the right to add additional pest control measures at its discretion on an as needed basis. Wise County shall pay for the services in addition to the contracted amount by a signed agreement approved by Commissioners' Court. This would include any specialized treatments needed such as termites etc that would exceed the normal call back rate for treatment. Persons providing services on the project ("subcontractor" in Section 406.096) – includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity or employees of any entity, which furnishes persons to provide services on the project. "Services" does not include activities unrelated to the project such as food/beverage vendors, office supply deliveries and delivery of portable toilets.

B. The contractor shall provide coverage based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011 (44) for all employees of the contractor providing services on the project for the duration of the project.

E. The contractor shall obtain from each person providing services on a project, and provide to Wise County:

- (2) no later than seven days after receipt by the contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the certificate of coverage ends during the duration of the project

F. The contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.

G. The contractor shall notify Wise County in writing by certified mail or personal delivery within 10 days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

H. The contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Workers Compensation Commission, informing all persons providing services on the project that they are required to be covered and stating how a person may verify coverage and report lack of coverage.

- (1) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011 (44) for all of its employees providing services on the project, for the duration of the project.
- (2) provide to the contractor, prior to that person beginning work on the project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.
- (3) provide the contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
- (4) obtain from each other person with whom it contracts, and provide to the contractor:
  - a. a certificate of coverage, prior to the other person beginning work on the project; and
  - b. a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
- (5) retain all required certificates of coverage on file for the duration of the project and for one year thereafter.
- (6) notify Wise County in writing by certified mail or personal delivery, within 10 days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and
- (7) contractually require each person with whom it contracts to perform as required by paragraphs (1) through (7), with the certificates of coverage to be provided to the person for whom they are providing services

J. By signing this contract or providing or causing to be provided a certificate of coverage, the contractor is representing to Wise County that all employees of the contractor who will provide services on the project will be covered by worker's compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier, or in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties or other civil actions.
