

INVITATION TO BID NO. 12-600-003
Wise County, Texas

BID TITLE: *Bulk Fuel-Gasoline and Diesel*

SEALED BIDS WILL BE RECEIVED UNTIL: *10:00 a.m. central time, Thursday, August 11, 2011*

RETURN BIDS TO:

*Wise County Asset Control Office
400 W Walnut, Decatur or
P.O. Box 952, Decatur, TX 76234*

All bids must be submitted in a sealed envelope on the enclosed bid forms and received on or before the date and time specified above. The bid envelope must have a return address in the upper left-hand corner and the bid name and number in the lower left-hand corner.

SCOPE

Wise County is now accepting formal sealed bids for a contract for the purchase of bulk gasoline and diesel for various county agencies.

This contract will be effective from October 1, 2011 through September 30, 2012.

This contract may be canceled with 30 days written notification by either party to the other.

SPECIFICATIONS

It is the intent of these specifications to describe fuel suitable for use in county vehicles.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

The types of fuels being sought under this contract are as follows:

1. Plus Unleaded gasoline with a minimum octane rating of 89
2. Super, Supreme, or Extra Unleaded gasoline with a minimum octane rating of 93
3. No. 2 diesel with a minimum cetane rating of 25 and a maximum sulphur content of 0.3 at 100 degrees Fahrenheit, no red dye

All fuels must be of high quality and free of foreign substances that present a potential hazard to County equipment or contamination of storage facilities. Any damage experienced by

County equipment or contamination of storage facilities will be the direct responsibility of the vendor for repair or replacement.

All fuels must be hydrocarbon. No alcohol-blended fuels will be accepted. Failure to comply will be considered a violation of the terms and conditions of this contract.

The County reserves the right to check the vendor's manifest and/or submit, to a laboratory, samples of fuel delivered for verification of octane/cetane/sulphur ratings.

In order to comply with State laws concerning competitive bidding while maintaining as much continuity as possible between the County and its contracted fuel vendor(s), Wise County has elected to utilize a "fluctuating price" contract(s) which takes the changing fuel market conditions into consideration over the contract period.

Therefore, each bidder will be required to submit the OPIS report for the date the bid is signed with name, address, and telephone number of his wholesale fuel supplier(s) so that Wise County may, at its discretion, spot check current transport tank prices and freight charges.

If Wise County finds that vendor is purchasing fuel from any other supplier, other than the one given, this contract will be considered null and void and immediately canceled.

Thus, each bid should clearly delineate each fuel's profit (margin). This is the amount charged over OPIS.

Under this arrangement, the per-gallon price charged the County will be allowed to fluctuate within the contract, provided the difference between the vendor's per-gallon cost and the per-gallon price to the County remains constant and can be verified at the discretion of the County.

Bids received without this information will be considered incomplete and will be eliminated from the selection process.

The successful bidder must check each of the County's bulk fuel facilities as frequently as needed to assure the routine replenishment of fuels without the County having to notify the vendor of its need.

The successful bidder must also add any needed additive during winter months to prevent gelling of diesel fuels. The diesel bid price must NOT include this additive in the cost of the fuel as the cost of this additive is to be bid and billed separately from the cost of the fuel.

Wise County will pay ONLY the required State tax on fuels. It is the sole responsibility of the bidder to recoup any taxes he has had to pay from the appropriate taxing entity.

All invoices must show the base per-gallon cost being charged the County as well as all appropriate taxes.

It will be the express responsibility of the successful bidder to notify the Wise County Auditor's Office of ANY change in the per-gallon fuel price to the county PRIOR to any

delivery of fuel to the county for which the new price will be charged. Failure to fully comply with this condition will be considered a violation of the terms and conditions of the contract.

A separate sheet delineating, by department and by fuel type, the total amount of fuels purchased during the month must be sent along with all bills, invoices, and statements.

The contract(s) will be awarded to the bidder who, in the judgment of the Commissioners' Court, tenders the lowest and best bid on the basis of that vendor's per-gallon profit (margin), including all freight and delivery charges.

The County will award bids in eight separate and distinct categories. They are:

1. Delivered bulk gasoline for all entities in Precinct #1 (Precinct Barn and Public Works)
2. Delivered bulk diesel for all entities in Precinct #1 (Precinct Barn and Public Works)
3. Delivered bulk gasoline for all entities in Precinct #2
4. Delivered bulk diesel for all entities in Precinct #2
5. Delivered bulk gasoline for all entities in Precinct #3
6. Delivered bulk diesel for all entities in Precinct #3
7. Delivered bulk gasoline for all entities in Precinct #4
8. Delivered bulk diesel for all entities in Precinct # 4

DELIVERY POINTS

Since bid prices must include consideration of the vendor's delivery to various County-owned facilities, a list of those delivery points follows. It will be the responsibility of the successful bidder to deliver fuels upon demand to those locations by vendor-owned or -contracted means throughout the contract period.

1. **Precinct #1:** Highway 380 and FM 51 North, Decatur.

However, prospective bidders are encouraged to contact the individual department heads of the listed departments to discuss their anticipated needs. Wise County will in no way be bound to purchase any predetermined amounts under this contract. All purchases will be based on the County's actual needs.

INSURANCE

Upon request, the successful bidder must provide evidence of insurance that will indemnify the County in the event that damage is incurred to any County vehicle as a direct result of faulty fuels delivered by the successful bidder.

GENERAL CONTRACT TERMS AND CONDITIONS

The contract price for this service must include all ancillary costs associated with the service.

The bidder reserves the right to charge any price desired as long as it does not exceed the bid price.

All invoices will be paid on a net 30 basis. No late fees or interest charges are to be assessed against the county.

Invoices must show the address and department where the service was required and the bid number.

Each department/precinct must be invoiced separately.

Funds for payment on this contract have been provided through the Wise County budget approved by Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the obligations and expenditure of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Wise County fiscal year shall be subject to budget approval. The fiscal year for the County extends from October 1st of each calendar year to September 30th of the next calendar year.

The bidder must provide pricing (unit or lump sum) as requested on the bid form. Prices quoted shall remain firm for the period of the contract and shall include the cost of installation if required in the specifications, shipping, and delivery of item to the designated point unless

pickup is required and stated in the bid and shall not include Federal or State of Texas sales, excise and use taxes.

The undersigned affirms they have familiarized themselves with the local conditions under which the work is to be performed and have satisfied themselves of matters that may be incidental to the work before submitting a bid.

Bidders must submit their bids on the attached forms and they must be originally signed.

Bids not submitted on these forms will be summarily disqualified.

Faxed or emailed bids will not be accepted.

By submitting and signing the attached bid forms, each bidder is indicating that he has read and understood the instructions, terms, conditions, specifications, and invitation to bid and agrees to comply with and be bound by its precepts. Submission of a bid form shall constitute an offer on such terms that shall remain open and irrevocable until such time as a bid submitted on same has been accepted by the Commissioners' Court of Wise County, Texas. Acceptance of same by the Court shall create a contract between the parties based upon the instructions, terms, conditions, specifications, invitation to bid, and the bid forms.

Continuing non-performance of the vendor in terms of specifications shall be basis for termination of the contract by Wise County. Wise County shall not pay for work, equipment, or supplies that are unsatisfactory. Vendors will be given a reasonable opportunity before termination to correct the deficiencies. However, this shall in no way be construed as negating the basis for non-performance termination.

A Conflict of Interest Questionnaire and explanation has been included with this bid packet. If you have any questions about compliance, please consult your own legal counsel. Compliance is the individual responsibility of each individual, business, or agent who is subject to the laws filing requirements. If you are required to file a Conflict of Interest Questionnaire, the original signed questionnaire should be filed with the County Clerk's Office. **DO NOT INCLUDE THIS FORM WITH THE BID PACKET.
