SCOPE

Wise County is now accepting formal sealed bids for a contract for the purchase of Pea Gravel for road construction applications.

This contract will be effective from October 1, 2011 through September 30, 2012.

This contract may be canceled with 30 days written notification by either party to the other.

SPECIFICATIONS

It is the intent of these specifications to describe pea gravel suitable for use in county road construction.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

1993 Edition- Texas Department of Transportation Standard Specification for Construction of Streets and Bridges.

Pea gravel must be washed or a spray bar must be available.

It is extremely important that bidders note that the geographical location of the various bidders' plants where materials may be obtained will bear heavily in the Court's consideration of bids. Thus, it is essential that each bidder's bid fully and accurately detail the locations of such bidder's facilities from which the materials are to come.

Purchase contracts may be awarded individually by respective Wise County Commissioners as the ex officio Precinct Road and Bridge Commissioner, depending on that bidder's prices and proximity to County job sites.

The County is seeking prices for material loaded by the bidder's personnel and equipment and hauled by the County's personnel and equipment or by contracted means.

Since each bidder may use a different name for the product, the bidder must supply the name that his billing department will be using for the product on which he is bidding. This will eliminate any confusion on the County's part as to what product is being purchased.

ESTIMATED QUANTITIES

Because Wise County's needs are seasonal in nature, it is not feasible to offer prospective bidders estimated quantities needed during the year. However, prospective bidders are encouraged to contact the individual department heads of the listed departments to discuss their anticipated needs. Wise County will in no way be bound to purchase any predetermined amounts under this contract. All purchases will be based on the county's actual needs.
