**SCOPE**

Wise County is now accepting formal sealed bids for a contract for a vendor to purchase scrap metals.

This contract will be effective from October 1, 2011 through September 30, 2012.

This contract may be canceled with 30 days written notification by either party to the other.

**SPECIFICATIONS**

It is the intent of these specifications to describe pickup for purchase of scrap metal from County Barns and Public Works.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

Bidder will be required to place a roll-off bin at each of the four Precinct sites and requested Public Works dumpsites.

Bin should be approximately 8' X 25'.

Bin will be picked up when a call is received from the Precinct/Public Works and replaced with an empty bin.

**ALTERNATE – OPTION OF EACH INDIVIDUAL PRECINCT/PUBLIC WORKS:**

Metal will be hauled to bidders location by County, or their designated hauler.

## **ESTIMATED QUANTITIES**

Because Wise County's needs are seasonal in nature, it is not feasible to offer prospective bidders estimated quantities of scrap iron and other metals to be sold during the year. However, prospective bidders are encouraged to contact the individual department heads of the listed departments to discuss their anticipated amounts. Wise County will in no way be bound to sell any predetermined amounts under this contract.
