Letter of Intent

April 22, 2003

Dear Mr. Jones,

Wise County Commissioners Court would like to thank you for your offer to allow us to cross your property with a sewer line and utilize the lift station for the Emergency Medical Service.

The purpose of this letter is to express our intent to bore under Rose Avenue, dig a trench that parallels Armondo's sewer line and tie in to said lift station.

We will require temporary easement for surveying and engineering at this time. We will require an easement for the sewer line on the North side of Rose Avenue.

We agree to pay a sum of \$6,000 before construction begins.

We will assume maintenance of the lift station pumps and electric service to the lift station beginning at start of construction.

This letter will be considered a contract, after action by Commissioners Court.

Again, thank you for allowing us this opportunity.

Sincerely,
Wise County Commissioners Court

Dick Chase
Wise County Judge
