LEGAL AID PROGRAMS

Introduction to Civil Legal Aid

The federal government, through the Legal Services Corporation (LSC), funds three legal services programs that serve every county in Texas: Legal Aid of NorthWest Texas, Lone Star Legal Aid and Texas RioGrande Legal Aid. The three LSC funded programs provide a wide range of civil legal services. Over 40% of the cases handled are family law cases. Most other cases are in the areas of housing, consumer law, employment, public benefits, or issues affecting the elderly. Due to federal restrictions, these LSC funded programs cannot handle criminal cases or immigration cases, except for representation of immigrants who have been victims of violent crime.

Funding for legal services programs is extremely limited. Legal aid programs must turn away many with serious legal needs due to limited resources. LSC funded programs, and most other programs included in this directory, must refuse service to any applicant whose income is above specific federal poverty guidelines.

In most situations, the family income must fall below 125% of the federal poverty income guidelines. But in some situations, the family income can be up to 200% of the poverty guidelines. So even if your household exceeds the 125% guidelines, you should still apply.

**2019 Poverty Guidelines
(Annual Income)**

FAMILY SIZE	100%	125%	200%
1	\$12,490	\$15,613	\$24,980
2	\$16,910	\$21,138	\$33,820
3	\$21,330	\$26,663	\$42,660
4	\$25,750	\$32,188	\$51,500
5	\$30,170	\$37,713	\$60,340
6	\$34,590	\$43,238	\$69,180
7	\$39,010	\$48,763	\$78,020
8	\$43,430	\$54,288	\$86,860
For each additional household member, add:	\$4,420	\$5,525	\$8,840
Calculations based on data from the U.S. Department of Health & Human Services (see https://aspe.hhs.gov/poverty-guidelines)			

The programs listed include LSC funded legal services programs, followed by programs that either serve a specific client group (such as people with disabilities, children or older individuals) or limit service to a specific type of legal issue (such as civil rights, consumer, housing, or immigration). These programs may have income restrictions that differ from LSC funded programs. LSC funded programs are listed first under each county because they provide the most extensive civil legal service.

LAWYER REFERRAL SERVICES

(FULL FEE AND REDUCED FEE)

Lawyer referral services enroll licensed attorneys who pay the necessary registration fee and meet basic guidelines. Callers referred to a participating attorney by a lawyer referral service receive a half-hour consultation for no more than \$20. After the initial half-hour consultation, should the caller decide to authorize the lawyer to take action on their legal issue, the caller and lawyer may negotiate fees. These fees may be on a full or reduced fee basis, depending on the program the attorney is participating in.

Below is a list of the certified lawyer referral services in Texas. The State Bar of Texas operates the lawyer referral service for the areas of the state not covered by a local lawyer referral service.

Fee-paying clients may use the Find a Lawyer service to connect with attorneys. The service offers clients the option to filter results by fee options, including reduced fee arrangements and payment plans. The full list of options include:

Contingency Fees: The attorney's fee is based on a percentage of the amount awarded in judgment or negotiated in the settlement of the case.

Flat Fees: The attorney charges a specified sum for handling the entire case or matter or for completion of a certain task associated with the case or matter (e.g. review of a contract, court appearance, etc.).

Hourly Rate: The attorney charges a per-hour rate and usually tracks his or her time in fractions of an hour (often 10ths of an hour/6 minute increments).

Payment Plans: The attorney's fee may be paid in installments instead of all at once.

Sliding Scale Fees: A reduced fee arrangement based on a review of the client's overall income and ability to pay.

INTRODUCTION TO PRO SE (SELF-HELP) RESOURCES

Major problems impacting access to the justice system in Texas include limited resources, funding restrictions, proximity to legal services in rural areas, and a rapidly increasing poverty population. The programs listed in this directory receive many requests for legal assistance, more than any program can accommodate. As a result, these programs can only assist a fraction of the requests received. Consequently, in some situations, individuals seeking legal assistance may have no choice other than to represent themselves in a legal matter.
